

CAPABILITY STATEMENT

OVERVIEW

18th Integrated Logistics LLC is a small business headquartered in Madison, Alabama, providing lifecycle logistics, Integrated Product Support (IPS), and sustainment solutions to Department of Defense and federal customers.

With more than 17 years of experience supporting Army aviation, missile defense, force protection, and counter-UAS programs, we deliver logistics expertise that enhances system readiness, operational availability, and mission success.

Our team provides end-to-end logistics support across acquisition, fielding, sustainment, and operational phases. We operate with the documentation discipline, accountability, and compliance required in complex DoD environments and support both classified and unclassified programs through personnel holding government security clearances.

CORE COMPETENCIES

Integrated Product Support (IPS) & Life Cycle Logistics
